Officer's Report
Case #85-5907-1

8-6-85 Detective Crane and myself contacted Marcos Adrian Arevalo at a restaurant across from the courthouse in Tacoma. Marcos was staying with the owners of the restaurant and is in the U.S. as an exchange Boy Scout Counselor. Marcos was the suspect in an alleged Indecent Liberties that occurred at Camp Hahobas in the Tahuya peninsula.

Marcos was read his rights in spanish by Officer William Meeks of Tacoma P.D. Marcos stated that he would prefer to have an attorney present who was fluent in spanish before he answered questions. The interview was terminated at this point.

8-7-85 Detective Crane contacted the victim in Orting at his residence and obtained a statement reference the incident. Detective Crane contacted me at the Tacoma P.D. and we went to the restaurant and contacted Marcos at about 12:40. Based on the victim's statement, Marcos was advised that he was under arrest and he stated that he understood. I then transported Marcos to the Mason County Sheriff's Office for booking.

Robert Rabelo arrived at the Jail to act as an interpreter and Larry King was contacted since Marcos had indicated a desire for an attorney. Marcos was read his rights in spanish by Mr. Rabelo and he signed the form stating that he understood his rights. Larry King conferred with Marcos for a short time and Marcos decided to follow the advise of Mr. King and not give a statement.

The interview was terminated and Marcos was booked.

Officer's Report
Case Number: 85-5907-1

08/12/85 This writer contacted [REDACTED], possible witness and tent partner to the victim, via telephone. [REDACTED] acknowledged he was in the tee pee with the victim and Marcos on the night in question. [REDACTED] stated that he did not observe or hear any unusual activity between [REDACTED] and Marcos Arevalo. [REDACTED] expressed some concerns about the validity of the allegations against Marcos. His first concern was the fact why [REDACTED] did not ask for help if something was happening to him. [REDACTED] said that he was in the same tee-pee and only a few feet from the victim. [REDACTED] stated that Marcos would not do anything like that to anyone and does not understand why anyone would make such allegation against Marcos. This writer verified with [REDACTED], that he did not hear or see Marcos touch [REDACTED] in any manner. Further [REDACTED] first learned of the problem the next morning, from the Camp Director Mike Davitt. The victim, [REDACTED] had requested to sleep in the tee-pee occupied by [REDACTED] Marcos was not assigned a particular tent to sleep in. [REDACTED] stated that Marcos came into the tent after he was asleep.

To Whom It May Concern:

My name is Steven Weller, and I am currently an elementary school teacher in the Orting, Washington School District. I have taught at the elementary level and coached athletics at the elementary, junior high and high school levels in Washington and Idaho for the past fifteen years.

I was, a few years ago, [REDACTED] fourth grade teacher. I found [REDACTED] to be both a bright and dependable student. He was well prepared for each day at school, and I also recall that he was quite active in the few extra-curricular activities available to an elementary student (dramatics, choir, school patrol).

I, as a classroom teacher, see in [REDACTED] the qualities that make for the maturing into a fine citizen. I also remember his mother to be a concerned, caring and active parent, and these characteristics in a child's parent are central to the child's growth.

If for any reason further comments by me regarding [REDACTED] character, are needed, please feel free to get in touch with me at school ([REDACTED] Orting, Wa, 98360 [REDACTED]) or at home ([REDACTED] Puyallup, Wa 98372 [REDACTED]).

Respectfully,

Steven R. Weller
